

Supra® Home Tour

Take showings to the next level with Supra Home Tour

Enhance the real estate showing process

Connect with home buyers in new ways with an innovative app designed just for them, and get seamless access to real-time buyer feedback.

Home Tour for buyers

Add value by providing a new service to home buyers — and better understand their needs by helping them stay connected to the showing experience.

Valuable tool for home buyers

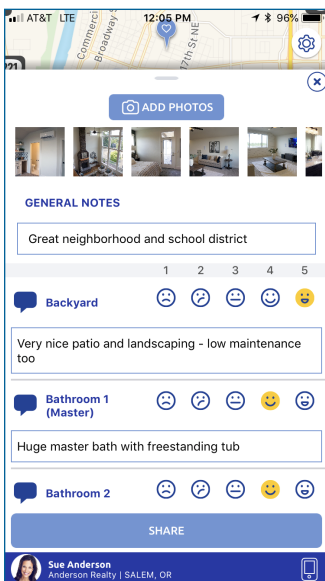

- Give buyers a tool to easily rate rooms and features during home showings— add comments and photos and save favorites
- Help home buyers never forget a home— give them the power to monitor and compare favorites
- Enable buyers to easily share feedback on homes with their friends and family
- Provide buyers flexibility to search for area listings, view agent recommended homes, or add properties

Valuable data for agents

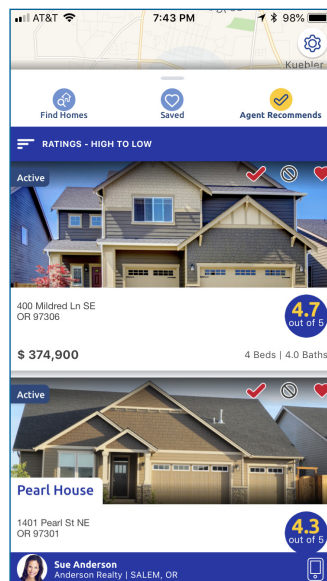

Rely on Supra to stay at the cutting edge of what home buyers want. Keep up to date with home buyer preferences — all within the eKEY® Professional app.

Smart insights into home buyer preferences

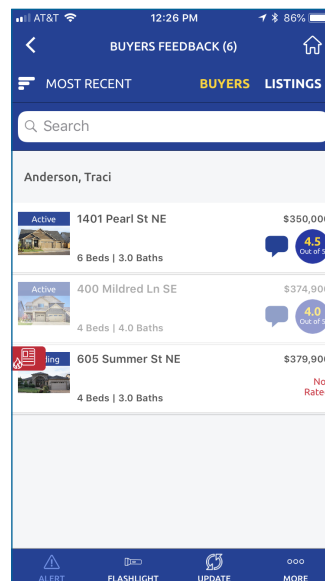

- Easily access list of buyers and invite them to engage with the Supra Home Tour app
- Create and track buyer profiles
- Recommend homes to buyers
- Quickly see homes that have been favorited or rejected
- View buyer feedback and comments on showings
- Capture home buyer preferences automatically in real-time
